

Global Conference on the International Network of Disaster Studies in Iwate, Japan

“Iwate Conference”

JULY 17-20, 2018

Aiina Conference Center

1-7-1 Morioka Station West, Morioka City, Iwate Prefecture 020-0045

Conference Theme

“Landscape-Scale Disasters, Emergency Response and Regional Recovery”

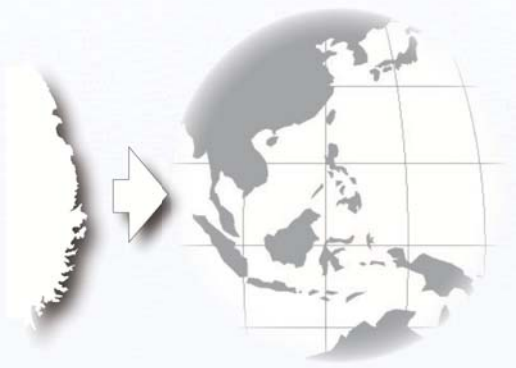

URL : <https://inds-iwate.org>

The Iwate conference is the venue for sharing the knowledge and experiences of disaster and crisis.

The conference will

1. Welcome all of the academic and non-academic professionals in disaster management, emergency and humanitarian responses, and reconstruction/development,
2. Have an ample opportunity to exchange views and idea of the theme,
3. Conduct formal and informal dialogue among participants through panel discussions and paper presentations,
4. Update the current status and progress of the recovery and reconstruction from the devastation from 2011 Great East Japan Earthquake and Tsunami.
5. and Organize an optional field trip on July 19-20.

Further information about conference arrangements will be forthcoming. Please see the web-site for details.
